FIRST OF OCTOBER

a fanzine

Rob Scallon (back); Andrew Huang (right).

Every year since 2018
Andrew Huang and Rob Scallon
record a brand-new album on
October 1st.

They write, perform and
record all songs in a single
day - 12 hours to be precise.

In 2018, the band made their album in 10 hours. They booked a 10 hour session on Uptown Recording, with producer and sound engineer

Rob Ruccia. He was informed about the project during the first minutes of the session.

Rob Ruccia produced all (6) First of October albums to date.

Crew

The crew changed every year. Here's a list in no particular order with people that worked on the project over the years:
