FIRST OF OCTOBER

a fanzine

Rob Scallion (back); Andrew Huang (right).

Every year since 2018
Andrew Huang and Rob Scallion
record a brand-new album on
October 1st.

They write, perform and
record all songs in a single
day – 12 hours to be precise.

In 2018, the band made their album in 10 hours. They booked a 10 hour session on Uptown Recording, with producer and sound engineer **Rob Ruccia**. He was informed about the project during the first minutes of the session.

Rob Ruccia produced all (6) First of October albums to date.
